RESPONSE TO NOTICE TO FILE MISSING PARTS

Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

Attached is a supplemental declaration filed pursuant to 37 CFR 1.67(a). In the Notice to File Missing Parts mailed by the Patent and Trademark Office (PTO) on July 11, 2000, the PTO notified Applicants' attorney that the original declaration filed with the above-identified application was missing the signatures of David Vincent Zyzak and Robert Leslie Swaine, Jr.. The attached supplemental declaration corrects this deficiency. A copy of the Notice to File Missing Parts is also attached.

The Commissioner is hereby authorized to charge payment of the \$130 surcharge set forth in 37 CFR 1.16(e) to Deposit Account No. 16-2480. The Commissioner is also hereby authorized to charge payment of any patent application processing fees under 37 CFR Sections 1.16 and 1.17 associated with this communication or credit any over-payment to Deposit Account No. 16-2480.

Also included is a Petition for a 1 Month Extension of Time, which is deemed necessary in order to maintain timely response.

The Commissioner is hereby authorized to make any additional copies of this sheet needed to accomplish the purposes provided for herein and to charge any fee for such copies to Deposit Account No. 16-2480.

Respectfully submitted,
For David V. Zyzak, et al.
